

## *Holiday Breaks:*

**November 23-24**

**December 25-January 2**

Please let me of additional dates you need off for holidays you celebrate!

## Hello, Singers!

The holidays are upon us & the vibes are cozy. It's also time for my yearly reminders to take care of your voice! Sickness, dryness, & fall/winter allergies are all factors this time of year. Make sure you're running those humidifiers, drinking water & herbal teas with honey, resting your voice when it's tired & getting your zzzz's. You'll thank yourself when it's time to sing!

In other news, please take a quick look at this newsletter for gift ideas, calendar reminders & a picture of me with some cows I found when I was song collecting in Ireland :). I'd like to wish you all a Happy Thanksgiving & let you know how thankful I am for each of you. I get so much joy out of the work I do and the people I work with! Love to all - Eileen
